

Cintas locations are enjoying the benefits of partnering with Booster to fuel their fleets. Here are the results!

**80%** of SSRs feel they are "much more efficient" since Booster was implemented at their branch.

"I don't have to waste time pumping every week"

"Love not having to fill up"

**4%**

of respondents had experienced prior safety incidents

(spill, collision, pull-away, or fuel misuse) while fueling on the job

**90%**

of SSRs feel higher levels of job satisfaction

since no longer being responsible for fueling

"One less thing I have to worry about"
