

Insights That Fuel Your Fleet

When you partner with Booster, fuel is only part of the equation. Our robust Fleet Portal provides operational transparency and deep data insights that help reduce costs and improve your fleet's efficiency.

Real-Time Data

Get real-time data delivered directly to your device so you can make better, faster decisions:

- ✔ Number of boosts per vehicle
- ✔ Fuel type
- ✔ Gallon and pricing detail
- ✔ Map visualization of where each vehicle was fueled
- ✔ Alerts on why a vehicle was not fueled

Fleet Insights

With insight-based decisions, you can increase your route capacity and expand your fleet utilization. Access a full 360° view of your fleet, including:

- ✔ Cost savings
- ✔ Labor hours saved
- ✔ Miles reduced
- ✔ Emissions prevented
- ✔ Total gallons fueled
- ✔ Total money spent
- ✔ Total vehicles serviced by location

Customer Support

We're here to guide you every step of the way:

- ✔ Access to responsive customer care and support
- ✔ Submit feedback on your Booster service experience
- ✔ Receive product updates, new feature alerts, and maintenance notifications

Customizable Reporting

Schedule reports to arrive in your inbox weekly and monthly or create Quarterly Business Reports. Using our filter and sort features, get custom reports on:

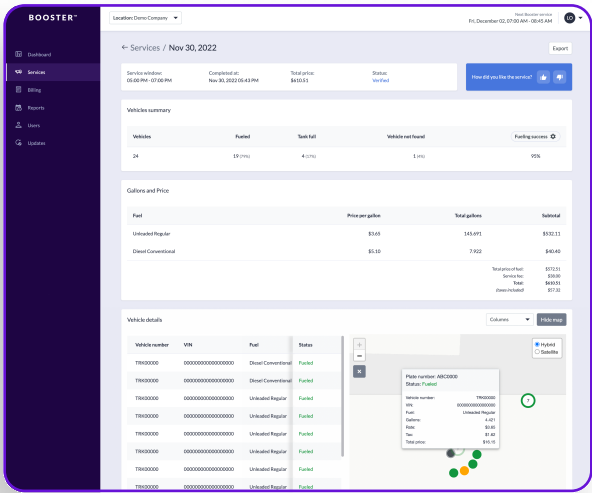

- ✔ Vehicle data
- ✔ Fueling data
- ✔ Financial data

Industry-Leading Finance Management

Reduce fuel card misuse and oversight, better control expenses with one monthly statement and reduce administrative time with our finance management capabilities:

- ✔ Detailed billing history
- ✔ Invoice management
- ✔ Full billing integration through partners including Comdata, WEX, and Voyager
